

## **Assembly Mechanic / Field Service Technician**

### **Odessa, Texas 79764**

AXON Energy Services is a global oilfield equipment manufacturer, engineering provider, and aftermarket service company. We are looking for an Assembly Mechanic / Service Technician to work in our Odessa, Texas facility. We offer competitive compensation and benefits. Axon is an Equal Opportunity Employer.

#### **Job Duties:**

- Assembles, diagnoses, repairs, and maintains complex machines, equipment, and their subassemblies in accordance with standard operating procedures and under limited supervision at the facility and customer locations.
- Reads, interprets, and follows blueprints, diagrams, engineering drawings, specifications, bill of materials, and other written or verbal instructions to accurately assemble/disassemble equipment and products.
- Tests or assists in testing operation of completed product.
- Identifies and notes problems or hazardous conditions that occur during assembly and test.
- Identifies product defects and completes appropriate documentation when defects and non-conforming products are identified.
- Maintain all Company property, including truck, service tools, phone, computer equipment, etc. in a clean and ready state.
- Process service tickets. Perform administrative functions relating to service records.
- Promote and perform any field service-oriented sales and maintain a confident customer relationship for the Company.
- Perform rig calls and assist sales as required.

#### **Required Skills & Experience:**

- High school diploma or general education degree (GED) and three years related experience and/or training; or equivalent combination of education and experience.
- Must be able to read and correctly interpret prints/drawings and specifications.
- Hydraulic/Pneumatic/Electrical experience a plus.
- Experience with Blow Out Preventer (BOP) equipment, Manifolds/Gate Valves, and BOP Control/HPU Systems a plus.
- Experience with rig operations and pressure control equipment a plus.

- Must be available and eligible to travel to such locations as the employer determines is necessary or desirable to meet its business needs.
- Have or be eligible for the following certificates and licenses: H2S, Bosiet, Twic, Passport and Driver License
